ITIS 5350 - Assignment 5 Walkthrough

Link to your prototype published in the Axure cloud: <https://37rqum.axshare.com>

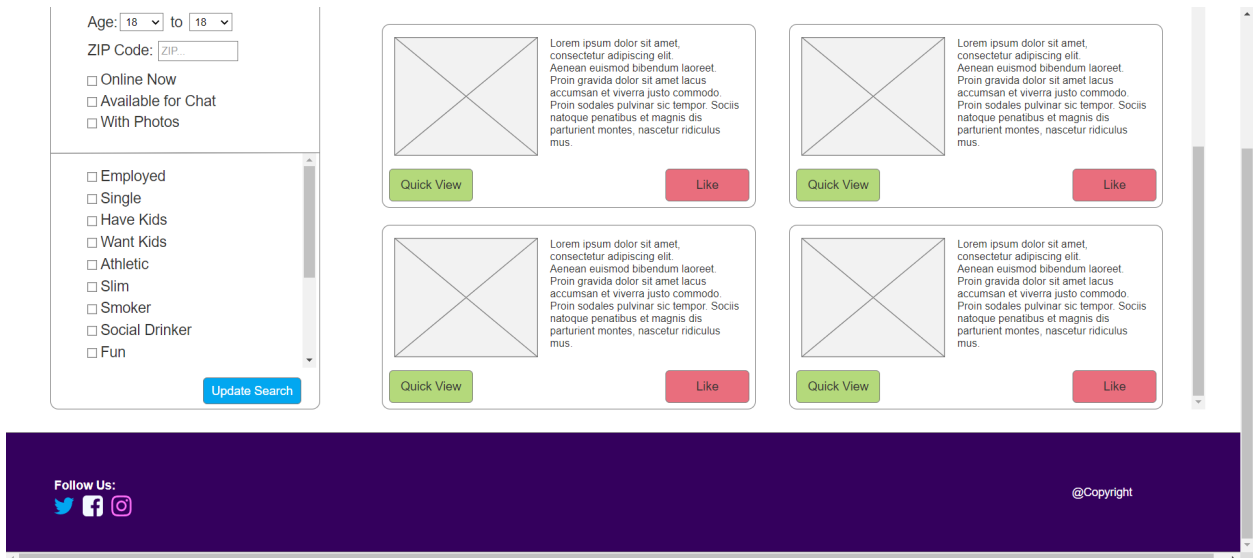

1. Home page is the Discover page

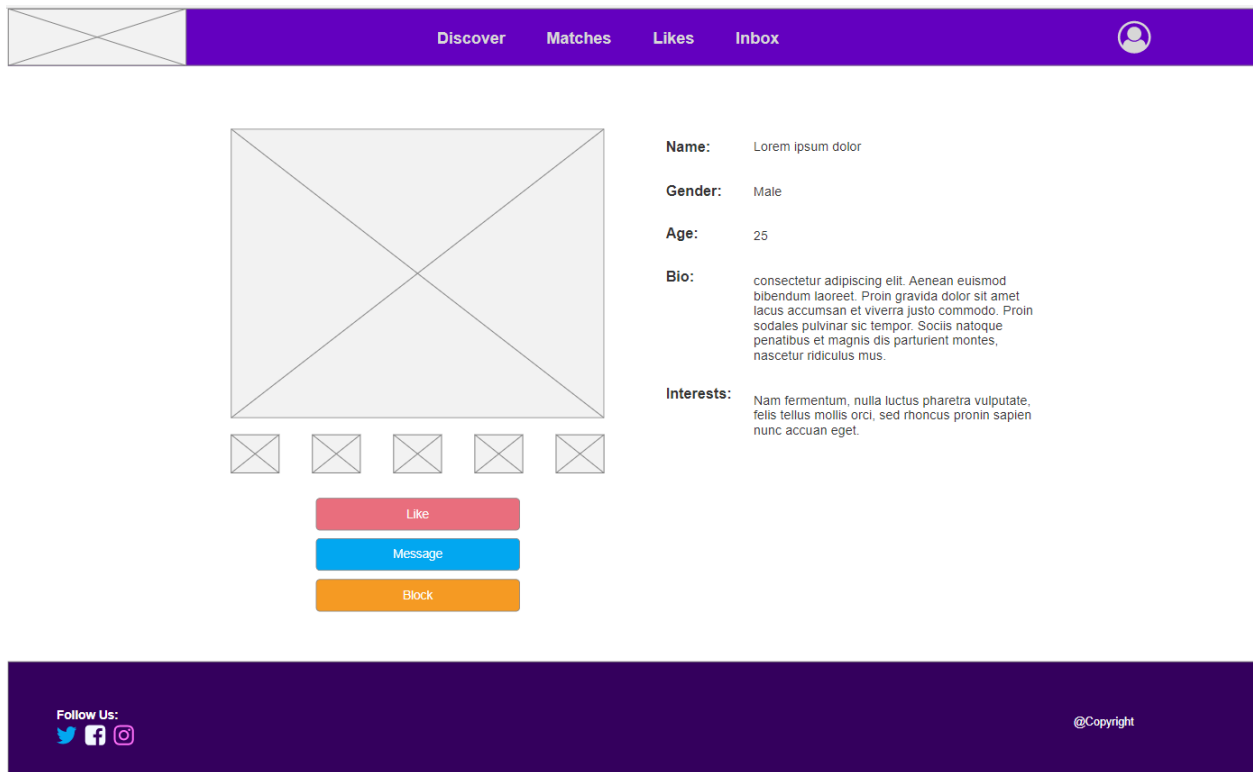

2. Click on the “Like” for the collection and cards profile preview. An alert box should pop up and is treated as a flyout

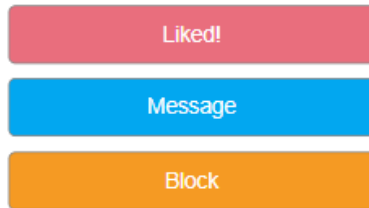

3. Scroll down to see more

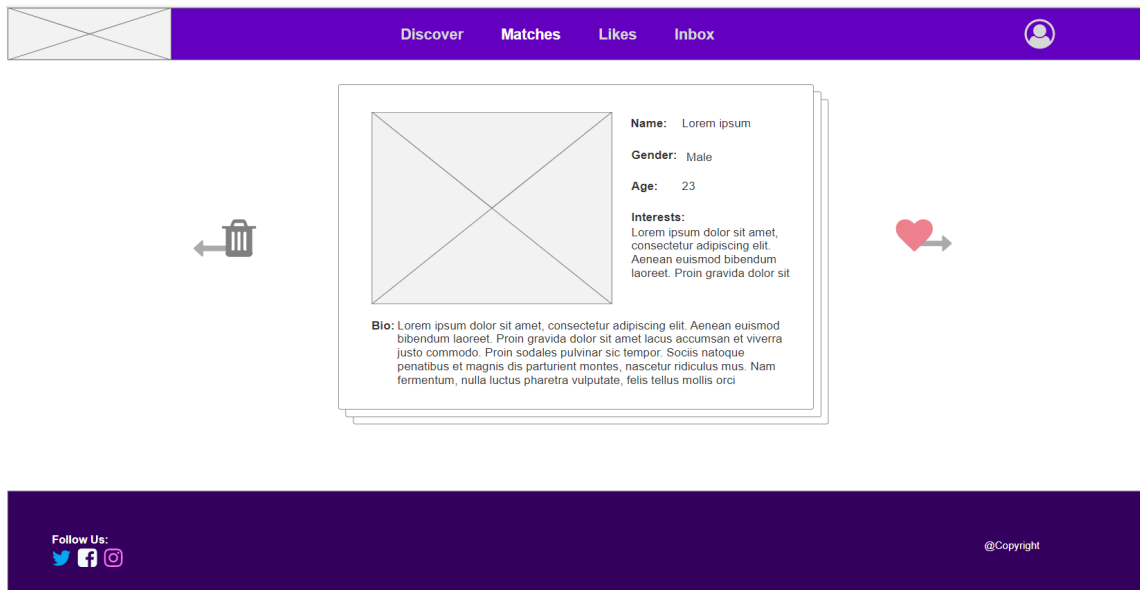

4. Click "Quick View" on any profile

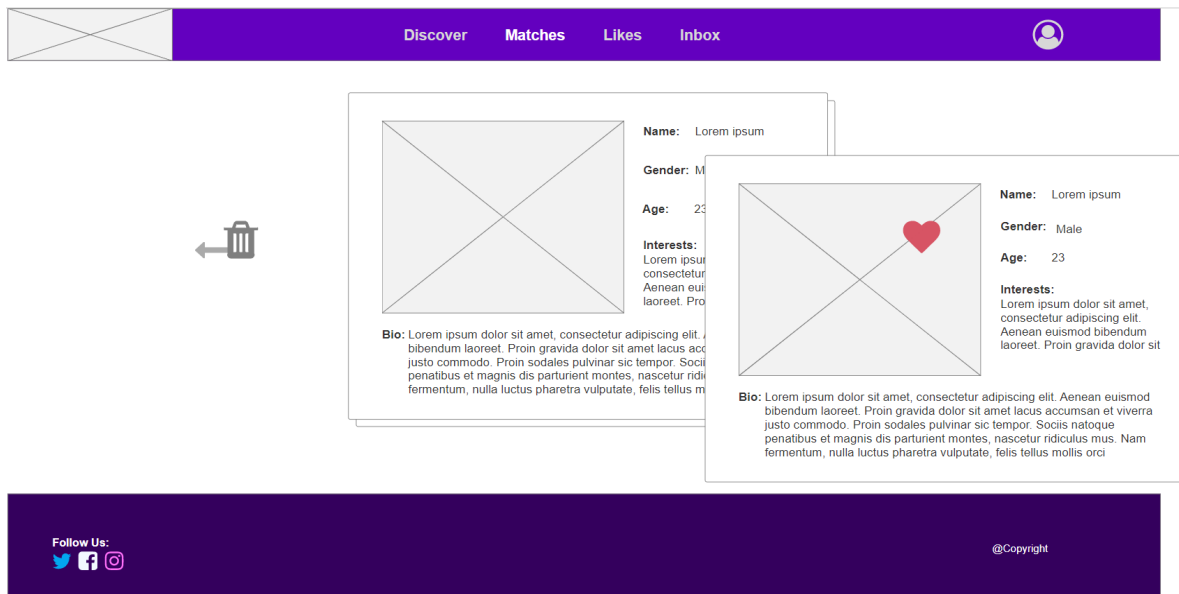

- Look at it for a few seconds, hover over the buttons to see the colors change. Click “Like”. Notice that it should now say “Liked!”

- Go to the matches page

- Drag the cards left (trash) or right (like) to either unmatched or like the person.
